## Signing On and General Information:

- Signing on will take place in the bar area of the circuit restaurant from 7.30 am each morning
- Friday 2nd you will receive breakfast and a cooked lunch in the circuit restaurant, and payment of £20
- Saturday and Sunday you will receive breakfast in the circuit restaurant and a packed lunch and a payment of £10 for each day
- There will be the usual **Club BBQ** on Saturday night, in the Marshals campsite
- **IO BRIEFING:** Briefing for all IOs at 08:15 on FRIDAY and SATURDAY morning, where we sign-on

## Circuit/Camping Entrance:

Access to the marshal campsite areas only can be gained from **midday on Thursday 1st August**. Please note that the competitors have been advised they won't be able to gain access to the paddock areas until 18:00 so please only park up in the usual Marshal camping areas as marked on the map overleaf.

## Sidecar Taxi Rides and Lunch Breaks:

Please be advised that the timetables for Saturday and Sunday will be much the same as last year in that they include Sidecar Taxi Rides. This will only require a skeleton crew on each section to cover the flags and radio, so hopefully you should all get a break if there's a bit of a rotation? It really means a lot to those taking part and I thank you for your understanding and help in accommodating the taxi rides... it's appreciated!!

**If you are booked to take part in the Sidecar Taxi ride for Saturday or Sunday, please let me know asap so that I can plan your placement on corner accordingly. Thank you.**

## Access to Public Areas and Getting to Corner:

Parking is available near most corners or, alternatively, you can get a lift from recovery in the Collecting Area from 08:30 on all 3 days.

## If you Cannot Make it to the Meeting:

We recognise that life happens, especially in these difficult times... if you cannot make the meeting, for any reason, it would be appreciated if you could please let the Chief Marshal know as soon as possible. This can prevent disruption due to 'no shows'. Thank you.

## Marshal Camping:

The designated area for Marshals camping is marked as **(1)** on the map below. HOWEVER, this is restricted on space and we would therefore suggest that this area may be best suited to those who do not have their own onboard facilities so they can be nearer the toilet block.

For all others, the area many of the Marshal's use is marked as **(2)** on the map below. This is also the location for the BBQ on Saturday night. As you follow the road round from the main entrance, you need to take the first track on the left (after you've turned the bend towards the paddock). Camping alongside the track is reserved for the riders so please ensure you follow the track to the end and camp on the grass area.

**PLEASE NOTE** that there are no electric hook ups but I will be bringing the Marshals generator so please advise if you need use of this and we will unload it.

**CAMPING:** Sunday stay-over is permitted if needed, but please leave site by Monday morning...

**STAY SAFE and HAVE FUN!!**
